Subject: capital gains

Hi,
I am writing in opposition of a capital gains tax being introduced.
As the owner of a family home it will not affect me yet, but for a capital gains tax to be added onto the sale of the business I have spent 16 years building and paying my share of tax on I am opposed to, I have worked hard and do not see it being a productive step to add this if we should choose to sell.
The government should be looking at ways of reducing the cost of living for those struggling as apposed to introducing new taxes which will ultimately raise the cost of living and affecting those at the bottom end the most.

Regards,
Mike Robinson.
