Subject: Equal Treatment for All New Zealanders.

This Government is creating a future problem for all New Zealanders.

Inroducing a racial bias clause into the tax law by including Te Ao Maori concepts and perspectives on the tax system.

I am part Maori and you are making me not proud to be one.

We are all New Zealanders and the sooner every one starts believing this we may save our country.

If you keep pushing Maori down everyone throats you are creating racism in this country.

People work hard and take a lot of risk to own a business. With a Capital Gains tax you are going to make people not want to take the risk.

Between Capital Gains and all the Health & Safety laws, Parental leave, Days off when you are abused by your partner, etc etc. How are you ever going to get someone brave enough to start up a business.
